SEPTEMBER

2nd-3rd PD Days
4th Children back to school

If you would like any further
information for the events listed
above then please contact the
schools directly. More details will be
printed in the newsletter closer to
the actual event if applicable.

This Half Term's Value is Caring

"Three things in human life are important: the first is to be kind;
the second is to be kind; and the third is to be kind." – Henry James

Headlice—Information & Guidance

Prevention - can you stop them?

Combing is an important part of good personal care, but head lice are not easily damaged by it. Good hair care may help to spot lice early and so help to control them. The way to check heads is called 'detection combing'. It can be done as often as families want to, but should be done weekly. If a living, moving louse is found on one of the family's heads, the others should be checked carefully. Any family members who have living lice on their heads should be treated at the same time

Detection combing

You need: fine toothed detection comb (from the chemist), good lighting, and an ordinary comb.

Wash the hair well, then dry it with a towel.

The hair should be damp, not dripping

Comb the hair with an ordinary comb.

You can buy a detection comb from the chemist.

Start with the teeth of the detection comb touching the skin of the scalp at the top of the head. Draw the comb carefully towards the end of the hair shafts.

Do this over and over again from the top of the head to the edge of the hair in all directions, working round the head and wiping the comb each time.

Do this for several minutes. It takes 10 to 15 minutes to do it properly for each head.

Clean the comb under the tap. A nail brush helps to do this.

How to treat head lice

You should only ever treat someone for head lice if you have found a living, moving louse.

The best treatment is to use lotion (not shampoo and mousses) from the chemist.

Your doctor may issue you with a prescription.

Always follow manufacturers' instructions on how to use the lotion. How long you leave the lotion on the head may vary depending on the product.

Autism West Midlands

Advice Sessions

Would you like a one to one meeting with one of the team? If so please make an appointment for one of our regular advice sessions in Shrewsbury, Oswestry, Market Drayton, Bridgnorth and Craven Arms. All these sessions take place in the day time but we also run an evening session in Shrewsbury.

Parents who have attended have said:

"It has been really helpful talking to Wendy. She helps put things in a way I can understand them.

This session has been invaluable."

"Really friendly atmosphere. We were put at ease immediately, so much kindness"

"Very helpful session, I understand where to go next. Emma was lovely and very understanding, listening to my concerns"

Call 0121 450 7575 to make an appointment

Friday 12 April - 10.00am to 12.00pm

Bridgnorth – No meeting in April

Shrewsbury evening support group – The Featherbed, Battlefield Road, Shrewsbury SY1 4AB

Monday 29 April 7.00pm to 9.00pm

Junior Half Marathon

We had a fantastic morning celebrating our children's achievements on completing 12 miles of their Half Marathon Challenge. But, they still had 1.1 miles left to run at the West Mid Showground on a bright Saturday morning. With over 1800 children involved in the event our 23 children shone whilst representing the school, showing great pace and determination from start to finish.

Well done to: Sophie, Abbi, Jacob, Olly, Neythen, Julia, Edward, Bryan, Amelia, Dylan, Pia, Ernest, Evie, Harry, Hollie, Millie, Jessica, Charlie, Luna, Maja, Zach and Grace, you are an inspiration to us all!

A special thank you to all of the parents and carers who encouraged their children to participate and to Mr and Mrs Maddox for attending and supporting the event

Thanks again Mr Tisdale

Grapes in Lunchboxes

We kindly request that if your child would like grapes in their lunchbox that these are cut length ways, following medical guidance that we have received. Thank you in advance for your co-operation.

Year 2 Vocabulary

In Year 2 we will be exploring this vocabulary next week:

Overjoyed

Wrinkled

Please talk to your child and discuss the meanings of these words and how they can be used. Thank you.

Attendance —for the week beginning Monday 1st April

The national average is 96.3% - has your child's class beaten this target this week? Well done to **Lilac Class** for having the best attendance!

Class	Attendance	Class	Attendance	Class	Attendance
Yellow	90.3%	Turquoise	94.3%	Silver	97.3%
Green	90%	Blue	96.7%	Red	91.7%
Pink	94.7%	Purple	94%	Orange	93.3%
Lilac	98.1%				

Attendance —for the week beginning Monday 8th April

The national average is 96.3% - has your child's class beaten this target this week? Well done to **Purple Class** for having the best attendance for the 2nd week in a row!

Class	Attendance	Class	Attendance	Class	Attendance
Yellow	93.3%	Turquoise	90.7%	Silver	99%
Green	97.7%	Blue	96.3%	Red	95%
Pink	95.7%	Purple	99.3%	Orange	98%
Lilac	91.3%
