## This Half Term's Value is Patience

"Great works are performed, not by strength, but by perseverance." –

Samuel Johnson

### Federation Day

On Wednesday 10th April the children from both schools will be going to the Church of the Holy Spirit for a Haughmond Federation Celebration Assembly. The children will be sharing work from their topic this term, singing songs from their whole singing sessions and from the singing club and also sharing recorder performances. As we can only just fit both schools into the church we are unable to invite parents to this assembly. Therefore we would like to invite parents to drop in to the Church of the Holy Spirit after school. There will be displays of all work from all year groups and we will hopefully be able to play the music recorded from the celebration assembly. The Church of the Holy Spirit will be open from 3pm-5.30pm for you to drop in. Refreshments will also be available and it would be lovely to see you there

### Headlice—Information & Guidance

#### **Prevention - can you stop them?**

Combing is an important part of good personal care, but head lice are not easily damaged by it. Good hair care may help to spot lice early and so help to control them. The way to check heads is called 'detection combing'. It can be done as often as families want to, but should be done weekly. If a living, moving louse is found on one of the family's heads, the others should be checked carefully. Any family members who have living lice on their heads should be treated at the same time

#### **Detection combing**

You need: fine toothed detection comb (from the chemist), good lighting, and an ordinary comb.

Wash the hair well, then dry it with a towel.

The hair should be damp, not dripping

Comb the hair with an ordinary comb.

You can buy a detection comb from the chemist.

Start with the teeth of the detection comb touching the skin of the scalp at the top of the head. Draw the comb carefully towards the end of the hair shafts.

Do this over and over again from the top of the head to the edge of the hair in all directions, working round the head.

Do this for several minutes. It takes 10 to 15 minutes to do it properly for each head.

Clean the comb under the tap. A nail brush helps to do this.

#### **How to treat head lice**

You should only ever treat someone for head lice if you have found a living, moving louse.

The best treatment is to use lotion (not shampoo and mousses) from the chemist. Your doctor may issue you with a prescription.

Always follow manufacturers' instructions on how to use the lotion. How long you leave the lotion on the head may vary depending on the product.

## Orienteering

On Wednesday 20th March, Mrs Edwardes and Mrs Jones took three teams to take part in an Orienteering competition at the Sports Village.

The children were split into pairs and then competed against other schools. The aim of the competition was to read a map and find markers. They then needed to get back to base as soon as they could. The Teams A1 (Katie and Summer), A2 (Kian and Jack), B1 (Livvy and Roxie) B2 (Archie and Lewis), C1 (Toby and Kobi) and C2 (Joe and Hugo) went out at different times. When they had completed their card they returned to the base to get their time. Pairs Kian and Jack and Lewis and Archie had excellent times. Overall the A team were 3rd, B team were 10th and C team were 6th. The children all did really well and had great fun!!

Well done to all who took part!

A Team: Kian, Jack, Katie and Summer

B Team: Archie, Lewis, Livvy and Roxie

C Team: Toby, Kobi, Joe and Hugo

HJS took part in Sustran's Big Pedal between 25th March and 5th April. The school finished 69th in the country and 2nd in Shropshire! A massive well done to everyone who participated!

## School Dinner Prices

From Monday 29th April the cost of a school dinner will rise from £2.10 to £2.20. School has delayed this price rise for as long as it can but unfortunately due to increases in labour costs and food we are now having to make this change. We will also be offering a sandwich option to children in the summer term alongside our usual hot lunch choices.

## Attendance –for the week beginning Monday 18th March

### Boys U10 7 a-side Phil Lewis Trophy

The Year 5 boys team were involved in a competition on Thursday 21st March at Meole Brace Secondary School. The boys came up against Shrewsbury Cathedral and St Winefrides in their group. Shrewsbury Cathedral were up first and HJS played very well, they won the game 2-0 with the first goal from Joe and the second, a free kick, from Hugo. The second game against St Winefrides was a tough game. St Winefrides played very well, and unfortunately, for HJS, they managed to win the game 2-0. So, with one win and one loss it wasn't enough for HJS to go through to the Semi-Final this time.

Unlucky boys!!

Team: Joel, Jamie, Harrison, Joe, Harley, Oscar, Connor and Tom.

Please be reminded that all after school clubs have now finished with the exception of Tuesday's Football Club.

Many thanks

# HAPPY EASTER!

I am sure many of you are aware that Mr Pugh will be leaving us at the end of this term. We will be very sorry to see him go but we congratulate him in being successful in securing a promotion in Abu Dhabi. We are very grateful for all of Mr Pugh's hard work and commitment to HJS over the past few years. He has had a positive impact across all areas of school and his twitter posts will be greatly missed. I am sure you will join us in wishing Mr Pugh all the very best in his new adventures and hope that he will come back to visit in the future

## Reduction of Local Bus Service Subsidies - Financial Year 2019\20

Shropshire Council has today (Monday 25 March 2019) launched a six-week consultation into proposed reductions to its public transport budget, which would see a reduction in the number and frequency of bus services subsidised by the Council.

The Council's financial strategy for 2019/20 includes a budget reduction of £405,000 in public transport and £50,000 for Shrewsbury Park & Ride. To achieve these reductions a number of initiatives will have to be implemented and this consultation asks for views about these proposed changes.

The details of these proposals are provided below;

### **Public Transport - Those services financially supported by the Council.**

To help identify the £405k budget reduction we requested that all our bus operators providing Local Bus Services on behalf of the Council, provide details of the level of service that they could provide on each of these services with a reduction in funding.

In the majority of cases this will represent a reduced timetable on each of the services the Council supports, details of how this will impact individual services is shown in the table at the bottom of this letter.

### **Shrewsbury Park & Ride**

To achieve the budget reduction of £50k set out in the Council's 2019/20 financial strategy, we are proposing to undertake the following;

- a) To remove the concessionary fare discount that allows passengers on presentation of their concessionary card to travel for a 50% discount, this discount is currently provided at the Council's discretion.
- b) To increase the return fare for the service from its current level of £1.60 to £2.00.
- c) To remove the Group ticket from Park & Ride which allows for up to 5 passengers to travel for the price of £2.50.

The consultation runs from 25 March to 6 May 2019 and can be found at [www.shropshire.gov.uk](http://www.shropshire.gov.uk)

Any responses to this consultation should be emailed to [passtrans@shropshire.gov.uk](mailto:passtrans@shropshire.gov.uk) or in writing to:
