Attendance Notice

By law, schools must take a morning and afternoon register and record the attendance or absence of every pupil. The Attendance Registers are marked twice each day; at the start of the morning session and again in the afternoon. All absences and **cases of** persistent lateness are investigated. If your child will not be in school, you must report your child's absence. If your child is absent and we have not been given a reason, you will receive a text message asking you to contact school. If we still have no response we will then make a phone call to try to make contact. If this also fails then details will be passed on to our family support worker who may do a home visit if he is unable to make contact.

Late arrivals

It is important that classes make a prompt and effective start at the **beginning** of the school day. The Head of School monitors lateness of pupils as punctuality to school is crucial. Lateness into school causes disruption to that individual's learning and to that of the other pupils in the class. It is of extreme importance therefore that all pupils arrive at school on time.

The school gates are locked at 9:00am and parents are unable to use the gates after this time. You will need to make your way to the school office to sign your child in. After 9:00am, parents are unable to take their child into school so a member of staff will help them put their things away and make sure they get to their class. If your child is late after 9:15am this will be put as an unauthorised absence unless we have had prior notice that it is due to a medical appointment.

When a pupil has been late on four occasions a school late letter will be sent home to inform parents of the numbers of times their child has been late. If there is no improvement, the EWO will become involved.

Children's belongings

Please ensure that your child has everything they need when they come into school such as PE kits, Forest School kits, book bags, named water bottles etc. as it causes disruption to classes when these items are brought in late.

The Big School Swim

Year 6 children took part in the Big School Swim on Thursday 14th November. The children enjoyed their swimming lesson and have received certificates for taking part! There are some other exciting activities for the children to do later on the year too!

Well done Year 6!!

Girls U10 County Shield

The Year 5 girls team were involved in the County Shield on Wednesday 27th November. The girls were in a group with Oxon and Trinity where they played both teams twice. Oxon were up first, HJS played well and created chances for Evie and Beth. The game was played mainly in the Oxon half and HJS scored midway through the game, Beth squeezing the ball past the keeper. The game ended 1-0 to HJS. In the second game against Trinity HJS started very well. There were some neat passing moves and good running with the ball. This time it was Evie who scored first, after beating two players, she calmly slotted the ball past the keeper. Beth then scored soon after smashing the ball into the net. The game ended 2-0 to HJS. So, it was Oxon up again in the third game. Again, HJS played very well. They created lots of chances and used the ball well. It was again Beth and Evie who scored the goals to make it another 2-0 win for HJS. In the last game against Trinity the girls dominated the game. It was late on in the match when Amelia scored the winner for HJS. Well done girls!!! Through to the next round!!!

Special mention to Amelia, Jess, Layla and Lily who all took turns in goal - great teamwork!! And also to Evie who played for the Year 5 team when she is only Year 3!

West End in Schools production company is visiting SISN on Wednesday 4th December to perform Aladdin for all children at school. They will be putting on 2 performances during the day to ensure all children are a part of it. The cost for this has been subsidised by our Fundraisers so the cost for each child is only £2.50. Please pay this through school money as soon as possible if you have not already done so. If we do not raise sufficient contributions, we will sadly be unable to continue these experiences for the children. Thank you for your continued cooperation.

Boys UIO County Shield

The Year 5 boys team were involved in the first round of the County Shield on Wednesday 20th November. The boys were in a group with Meole, HLC, Redhill and Old Park. Meole were up first and HJS played well in a tight game. HJS had a couple of chances to score but the game ended 0-0. In the second game against HLC the boys started very well and dominated the game. They were rewarded with 4 good goals. The first from Alfie, a lovely right-footed drive, this was quickly followed up by Ollie, scoring from close range to make it 2-0. Alfie then got his second goal dancing through a number of defenders before smashing the ball high into the net. Ollie sealed the win with a lovely shot finding the bottom corner. In the next game against Old Park HJS played well in another tight game. Ollie came close on a couple of occasions but didn't quite manage to score that all important goal before Old Park had a good chance which was well saved by Charlie in goal. The game ended 0-0. In the final game against Redhill the boys knew a win or draw would see them into the next round. They started really well, scoring within the first two minutes of the game. It was Ollie again who scored, slotting the ball past the keeper. He then quickly got his and the team's second finishing from close range. Redhill got a goal back after a superb save from Charlie he was unable to stop the rebound shot from going in but there was still time for Jacob to get on the scoresheet, finishing coolly to make the final score 3-1 to HJS. The boys had made it through to the next round!! Well done boys! Such excellent teamwork during the competition!!

Team: Charlie, Liam, Jamie, Toby, Alfie, Sam©, Jacob and Ollie
