## **Message from Miss Peters, Executive Head teacher**

I would like to say a big thank you for all for your support in the changes that have been and are being made, as we work our way through these strange times, particularly with the staggered starts, finish times and the early finish on a Friday. If anyone is still struggling with the timings for drop off and pick up then please get in touch as we have many solutions that are working well for other families. The early finish on a Friday allows us to complete a deep clean but also enables teachers to have their planning and preparation time. Previously, this would have been covered by a member of staff who would move around all the different classrooms, but we are trying to limit bubbles contact with other adults wherever possible. This arrangement will be reviewed later in the Autumn term. I can assure you that the children are receiving the correct hours of education, due to the changes to the school day the rest of the week. If you have any further questions then please do not hesitate to get in touch.

## ***FEDERATION REMINDERS...***

**Face coverings** - just a reminder all parents/carers need to wear a face covering when on either school site. Thank you.

Could you please ensure that all uniform is clearly labelled with your child's name, this includes their P.E/ Forest school kit.

You should only book a test if your child has any of these three coronavirus symptoms (or isolate if a household member shows symptoms):

1. a high temperature: any new high temperature
