Message from Miss Peters, Executive Head teacher

We said farewell to Mrs Street this week after many years of dedicated service to children and families within Haughmond Federation. We wish her well for the future and thank her for all of her hard work over her career, she will certainly be missed.

We are delighted to announce we have had our new speed awareness signs installed on the 7th October on Featherbed Lane. Thanks to a grant from the police commissioners and the support of the schools fundraising groups this installation has been possible.

We would like to thank the Sunraisers & FunRaisers for their wonderful work making the pillowcase bags for the backs of student's chairs, we have trialled them in one class and the students love them! We will be rolling it out to more classes in the upcoming weeks!

We now provide Halal chicken for children's lunches. Please contact the school office if your child requires halal.

Please ensure (where possible) any messages regarding home time arrangements are passed onto children before school.

We would also like to remind you to ensure children are sent in with water bottles, wellies etc.

Please remember if a child has an appointment during the school day, they will be unable to return to school the same day to minimise the spread of germs between settings.

Please ensure if a child is isolating they are not brought onto the school site when dropping off/collecting other children. Thank You.

We are proud to announce that HJS and SISN are now recognised as a Music Mark school due to the value we place on music in school and our commitment to a broad and balanced curriculum.
